

MORE HEALTH, MORE HAPPINESS, MORE LIFE!
VISION – HEALTH – OUR COMMITMENT FOR LIFE!

One of the leading pharmaceutical companies in Central and Eastern Europe, **BERLIN CHEMIE MENARINI** invites qualified **proactive and motivated** candidates to become a part of our team in Macedonia (BERLIN-CHEMIE / A. MENARINI MACDEDONIA DOOEL Skopje)

We are looking for holder of University degree in Medicine, Pharmacy or any other related field, an enthusiastic person, with experience, convincing and professional appearance, fluent in English, familiar with PC software and with a clean driving license. If you are qualified and interested **make it happen.**

Apply now for the position:

MEDICAL REPRESENTATIVE

(East and SouthEast of Macedonia)

Main duties:

- Promotion of the company's product range
- Performing all the promotional activities leading to the introduction of our products
- Fulfilling the expectations related to company procedures and providing reports
- Developing and maintaining personal contacts with pharmacies, doctors and other health care professionals

We are offering a competitive salary, company car and a chance to fully express your performance abilities.

That is not all.

We expect from you to have a potential to grow within the structure and became one of the leading members of our staff in the near future.

How much will you advance?

This entirely depends on you, your ambition and your contribution to the company.

If this sounds interesting to you please send your CV to macedonia-office@berlin-chemie.com. Please before you send your CV (preferably with photo) up to 30.04.2022 it is necessary to sign our
