

TITAN USJE, TITAN GROUP

IS HIRING

JUNIOR ELECTRICAL MAINTENANCE PLANNER

Join our team at Cementarnica USJE, a leading player in the cement industry committed to excellence in manufacturing and sustainability. We are dedicated to producing high-quality products while minimizing our environmental footprint.

As we expand our operations, we are seeking a Junior Electrical Maintenance Planner to join our dynamic team.

JOB BRIEF:

The Junior Electrical Maintenance Planner will play a key role in supporting the maintenance planning process, ensuring the reliability and safety of our equipment. This role involves regular on-site visits, collaboration with maintenance teams, and contributing to maintenance plans and equipment analysis.

KEY RESPONSIBILITIES:

- Regular visits to the plants and active cooperation with the maintenance departments to collect information and monitor the condition of the equipment and resources.
- Develops plans for overhauls and other major equipment operations.
- Active participation in analysis to detect the causes of equipment failure.
- Participates in ensuring the safety of the entire equipment, taking into account the observations and findings in the areas of responsibility of the Methods Department.
- Participates in ensuring the continuous operation of the equipment.
- Respect and monitoring the schedule and plan for equipment control activities.
- Participation in the implementation of maintenance activities during planned annual overhauls and ad-hoc stoppages.
- Plans the necessary resources and conditions for the safe execution of equipment maintenance activities.
- Cooperates with the Health & Safety Department to ensure conditions and permits for safety at workplace.
- Takes care of collecting and systematically documenting all types of documentation needed in daily operations.

SKILLS AND QUALIFICATIONS:

- University degree in Electrical Engineering or related field.
- 1+ years of related experience in a similar role within industry is preferred.
- Commitment to safety, environment, quality, and continuous improvement.
- Proficiency in digital skills (MS Office, AutoCAD, Eplan, Windows OS).

- SAP knowledge will be considered a plus.
- English proficiency, advanced level of written and verbal English

PREFERRED ATTRIBUTES:

- Willingness for learning and self-improvement
- Excellent communication skills
- Ability to work effectively in a fast-paced environment and lead a team
- Business sense - has a strong business sense and can decipher priorities and make sound judgment calls when needed,
- Commitment to excellence - perform duties at the highest level possible.

WHAT WE OFFER:

- Attractive remuneration and benefits package, including:
 - Incentives and bonuses
 - Wellbeing incentives: Private medical insurance, free sports activities, free weekday lunch, free legal, financial & mental health consultations
 - Maximum vacation allowance
 - Parental and family benefits
- Career development and training opportunities
- Positive, encouraging and attractive working environment

TITAN is committed to providing equal employment opportunities and prohibits all forms of discrimination. All applicants will be treated fairly and with the utmost confidentiality.
