

.NET SOFTWARE DEVELOPER (m/f/d)

We are looking for a .NET Software Developer to join our team in SKOPJE.

Quipu is an IT consultancy and software development company, which provides comprehensive end-to-end solutions for banks and financial institutions, from electronic payments to software systems. We are a 100% subsidiary of ProCredit Holding, the parent company of a group of banks that specialize in providing financial services for SMEs.

Headquartered in Frankfurt, Germany, we are currently operating from 8 regional offices around the world - in El Salvador, Ecuador, Ghana, North Macedonia, Kosovo, Ukraine, Russia and Romania - enabling us to promptly address the needs of a global customer base.

As an international organisation, we value diversity and we are dedicated to a culture of growth and innovation, creating an environment where everyone has the opportunity to develop their skills and fulfil their potential.

What your key responsibilities will be:

- Developing financial software following established standards and best practices by using .NET technology in Azure environment
- Analyzing and understanding a whole solution, with the interfaces and dependencies between the technical components
- Designing a technical solution based on business requirements defined by our customers
- Implementation of software solution in accordance with company standards and policies
- Continuous improvement of technical and business/financial knowledge

Skills and experience we expect from you:

- Bachelor in Computer Science or Information Science
- .NET development experience with C# ((WCF and WPF is a plus)
- Experience with automated test and continuous integration

- Demonstrate complex problem solving, critical thinking, and decision-making
- Ability to design and document complete solutions
- Demonstrate flexibility and adaptability to ambiguity
- Demonstrate strong written, verbal, and interpersonal communications skills
- Demonstrate attention to detail and time management skills
- Experience with SQL Server and/or Azure and development of enterprise level N-tier solutions is considered as advantage
- Knowledge of banking business is a plus

What we offer:

- Excellent team-oriented, dynamic and international working environment
- Challenging, engaging and varied tasks
- Personal and technical skills development with certified trainings
- Modern workspace close to Skopje City Park
- Travel possibilities
- 25 paid vacation days
- Private health insurance
- Free parking space

If you see yourself in this role, let us know in an e-mail, we would like to get to know you.

*Send us your application including CV, motivation letter, salary expectations and Job ID 22024 at joinus@quipu.de, by **20.06.2022**.*
