

BUSINESS ANALYST IN FINANCE AREA - (m/f/d)

We are looking for a Business Analyst in Finance Area to join our team in SKOPJE.

Quipu is an IT consultancy and software development company, which provides comprehensive end-to-end solutions for banks and financial institutions, from electronic payments to software systems. We are a 100% subsidiary of ProCredit Holding, the parent company of a group of banks that specialize in providing financial services for SMEs.

Headquartered in Frankfurt, Germany, we are currently operating from 8 regional offices around the world - in El Salvador, Ecuador, Ghana, North Macedonia, Kosovo, Ukraine, Russia and Romania - enabling us to promptly address the needs of a global customer base.

As an international organization, we value diversity and we are dedicated to a culture of growth and innovation, creating an environment where everyone has the opportunity to develop their skills and fulfil their potential.

What your key responsibilities will be:

- Working as part of software development team which is creating an application for finance area (General Ledger, Fixed Assets, Invoices, Reporting)
- Analysis of requirements from finance area and their communication with the software development team
- Participation in design of solutions according to business requirements, in their implementation, as well as in ongoing support for the delivered solution
- Testing and documenting the developed functionalities
- User training on newly developed versions

Skills and experience we expect from you:

- Bachelor in Accounting or related area
- 5+ years working in finance department in a bank
- Active experience with accounting regulations according to local and IFRS standards
- Advanced knowledge in using Excel

- Knowledge about banking products and services
- Demonstrate complex problem solving, critical thinking, and decision-making
- Demonstrate strong written, verbal, and interpersonal communications skills
- Knowledge of banking business is a plus

What we offer:

- Excellent team-oriented, dynamic and international working environment
- Challenging, engaging and varied tasks
- Personal and technical skills development with certified training
- Modern workspace close to Skopje City Park
- Travel possibilities
- 25 paid vacation days
- Private health insurance
- Free parking space

If you see yourself in this role, let us know in an e-mail, we would like to get to know you.

*Send us your application including CV, motivation letter, salary expectations and Job ID 22026 at joinus@quipu.de, by **30.06.2022**.*
