

**Do you want
a team that
ensures bright faces—
around the world, every
day?**

You'll find that and
much more with us.

We are looking for:

Bid Specialist Eastern Europe

We are looking for English-Speaking Bid Specialist for our Bid Eastern Europe Team.

In this position, you take on the following tasks:

Responsibilities:

- Preparation of quotations, for new and existing clients, that are the outcome of:
- Analysis of tender documentation for the contact center industry
- Cooperation with all country representatives in order to obtain data for the quotation
- Establishment of business model for new customers
- Verification of the content of contracts
- Preparation of sales presentations in English
- Responsibility for a timely and meticulous completion of assigned tasks.

Requirements:

- ability to think logically and analytically – mandatory
- English at minimum C1 level – mandatory
- advanced knowledge of Excel – mandatory
- minimum basic knowledge of PowerPoint
- high communication skills
- a degree in economics, finance and accounting or a related field
- experience in finance, controlling, business analytics and contact center - an advantage.

We offer:

- stable working conditions based on a contract of employment
- competitive remuneration
- employee benefits
- possibility to work completely remotely
- opportunity for professional development
- participation in interesting training courses.

We encourage all interested colleagues who fulfill the criteria above to apply no later than **03.11.2023** on the following email address [link](#)!

Good luck to everyone!
