

# We want you!

## Frontend Developer (m/f/d)

### in Skopje

You want to work on exciting projects and use modern tools and technology like Composer, Docker, GitLab CI/CD, Git, Gulp, Webpack, Docker, Kubernetes, Cloud Services, GraphQL? You like working professionally in a team of web developers which takes DevOps and Scrum seriously, works agile and improves constantly? Our company is the right place for you!

SNK is a unique digital agency as we combine highest standards with a family atmosphere working culture and deep experience with fresh curiosity.

We are a team of 100+ colleagues, owner-run and fully digital. Our team in Skopje works closely with its sister company in Munich, Germany.

### Your tasks:

The following topics will be part of your daily life as a Frontend Developer (m/w/d) at SNK:

- Individual Web-applications with varying requirements, like:
  - maintainable, clean and reusable LESS/SASS code
  - responsive, fluid or mobile first
  - theming strategies
  - complex animations
  - integration with different technologies like Angular, Vue.js, React, Java etc.

Besides frontend implementation, creating technical concepts are also part of your area of responsibility. Here you use:

- Jira
- Bitbucket, Git
- Zeplin, Abstract
- Coordinate with third party vendors to reach the project goals
- Grunt, Gulp, Webpack
- and you like to contribute to learning new technologies, tools and methods.

### Your skills:

- High internet affinity and good understanding of web technologies in general
- Proficient in CSS3/LESS/SASS, responsive, fluid and as well mobile first, CSS3/SVG Animations
- Proficient of JavaScript
- Proficient of HTML5
- Extensive experience with Grunt, Gulp or other task-runners, Webpack
- Strong knowledge in SEO, Analytics and Web Accessibility
- Experience with frameworks, like Bootstrap and Foundation and libraries like jQuery
- Experience with different Content Management Systems, like WordPress, Neos, etc.
- Proven problem solving and communication skills with can do attitude and high quality standards
- High design affinity and willingness to work closely with our UX Designers
- High level of communication skills and personal responsibility

### **What we offer:**

- Exciting projects for international clients
- Personal career development incentives
- State of the art hardware
- Private health insurance
- Work in our beautiful offices in central Skopje and occasionally Munich while earning an attractive salary
- Fitness activities

### **Are you interested?**
