## Intern for the USAID Strengthening Resource Mobilization Activity

The USAID Strengthening Resource Mobilization Activity is looking for a motivated, organized and committed to results young professional or undergraduate/graduate student to serve as an Intern. He/she will undertake administrative and data collection and analysis tasks in a dynamic environment at the Project office in Skopje. The Project supports municipalities to increase their capacities in own-source revenue collection, access to external funds and budget planning and execution. The preferred educational background is business administration, economics, law, or communications. The candidates fluent in the three languages (English, Macedonian and Albanian) will be treated with preference. The involvement will be negotiated for 4-5 hours per working day with a relevant compensation.

Interested candidates are expected to send their CV and motivation letter till December 17, 2021, to [info@srmamk.com](mailto:info@srmamk.com).
