

SOFTWARE IMPLEMENTATION AND SUPPORT ENGINEER (m/f/d)

**We are looking for a Software Implementation and Support Engineer to join our team in SKOPJE.**

Quipu is an IT consultancy and software development company, which provides comprehensive end-to-end solutions for banks and financial institutions, from electronic payments to software systems. We are a 100% subsidiary of ProCredit Holding, the parent company of a group of banks that specialize in providing financial services for SMEs.

Headquartered in Frankfurt, Germany, we are currently operating from 8 regional offices around the world - in El Salvador, Ecuador, Ghana, North Macedonia, Kosovo, Ukraine, Russia and Romania - enabling us to promptly address the needs of a global customer base.

As an international organisation, we value diversity and we are dedicated to a culture of growth and innovation, creating an environment where everyone has the opportunity to develop their skills and fulfil their potential.

**What your key responsibilities will be:**

- Participate in Business Analysis processes and the design of IT solutions for our customers
- Implementation and maintenance of software solutions in accordance with company standards and policies
- Provide support, testing and training during implementation for the end-users of solutions
- Ensure the quality of the solutions developed
- Resolve and/or provide assistance in case of production incidents to re-establish the service as quickly as possible

**Skills and experience we expect from you:**

- Bachelor degree in Computer Science
- MS SQL Server knowledge

- Knowledge on writing and troubleshooting T-SQL code
- Knowledge of finance business
- Knowledge of MS SSIS or MS SSRS would be considered an advantage
- Object-oriented programming knowledge
- .NET Framework knowledge would be considered an advantage

**What we offer:**

- Excellent team-oriented, dynamic and international working environment
- Challenging, engaging and varied tasks
- Personal and technical skills development with certified trainings
- Modern workspace close to Skopje City Park
- Travel possibilities
- 25 paid vacation days
- Private health insurance
- Free parking space

*If you see yourself in this role, let us know in an e-mail, we would like to get to know you.*

*Send us your application including CV, motivation letter, salary expectations and Job ID 21020 at [joinus@quipu.de](mailto:joinus@quipu.de), by **24.01.2022**.*
