

LIBERTY Steel Group, as part of the GFG Alliance, is a global steel and mining company with over 30,000 employees at more than 200 locations on four continents. It is an international business with an integrated offering – from the production of liquid steel made from raw materials and recycled materials to high-precision steels and related services, available to customers worldwide.

LIBERTY Skopje, as part of the LIBERTY Steel Group, is one of the largest manufacturers of steel products in the Balkans and offers cold-rolled, galvanized and plasticized products, mainly for the general industry segment of the regional market. We believe that our position in the steel and mining industries brings unique opportunities.

We invite all interested persons to apply for the following position in **Finance Department**:
