

WE'RE HIRING

PPL Q (Part Project Leader Quality) LOCATION - SKOPJE

KROMBERG & SCHUBERT is a global industrial group primarily active in automotive industry, comprises four business units: Cables, On-board networks, Plastics Technology and Mechatronics. It provides its products to the largest European car manufacturers (VW, BMW, AUDI, Mercedes, Škoda...), and employs over 50,000 people worldwide in more than 40 different locations.

*In North Macedonia, in the **Skopje region**, **KROMBERG & SCHUBERT** has built a manufacturing plant and currently have over 1.700 employees.*

Responsibilities:

- Ensure stable production processes and product quality throughout project implementation and series production.
- Plan, implement and monitor quality activities within new projects, including APQP, FMEA, PPAP, PCP and capability analyses.
- Coordinate quality-related work packages with Plant, Project Team, Residents and Central Quality functions.
- Ensure implementation of customer-specific requirements and support customer maturity level assurance.
- Prepare and participate in customer meetings, quality reviews and project-related discussions.
- Identify quality deviations, initiate corrective and preventive actions, and support structured problem-solving activities.
- Prepare and maintain quality documentation, project-specific reports and quality status updates throughout the project lifecycle.

Requirements:

- University degree in a technical field, preferably Engineering, Quality Management or a related discipline.
- Minimum 2 years of professional experience in Quality Management, preferably within the automotive or cable harness industry.
- Good knowledge of automotive quality standards and methods, including IATF 16949, VDA, APQP, PPAP, FMEA and Process Control Plan (PCP).
- Practical knowledge of basic quality tools and statistical methods, including Q7 tools, SPC and capability analysis.
- Good knowledge of Project Management principles and strong analytical and problem-solving skills.
- Very good command of English, with strong communication and intercultural skills.
- Good knowledge of MS Office (Word, Excel, PowerPoint and Outlook)

We offer:

- Full support of a fast growing international corporation
- Working in a dynamic automotive industry
- Stability and self-actualization
- Competitive salary and bonuses
- Training program and exciting internal development opportunities
- Good working conditions and clean working environment
- Private Health Insurance
- Organized transport and a Canteen
